Paul Holtin
Speaker (Independent Contractor)
Shell Oil Company (Retired)

Experience

Paul Holtin, CPP, has thirty-one years of experience as an HR/payroll professional and has been a Certified Payroll Professional since 1993. His tenure through four major Houston-based oil companies, including Shell and Texaco, covered both the accounting and the HR perspectives of payroll with responsibilities in such areas as payroll processing, W-2 Team management, and expatriate payrolls. Paul was also tasked with coordinating global payroll benchmarking and continuous payroll process improvement at Shell.

Serving in the role of Payroll Business Lead, he was a guiding force through numerous successful outsourcing projects during all stages of implementation, including vendor selection, project management, change management, and vendor relationship management. Paul joined the APA National Speakers Bureau following his retirement from Shell Oil Company.
