

# Make a Difference

As you can see in this Annual Report, Payroll Professionals working with and for Payroll Professionals is what makes everything happen at the American Payroll Association. APA is always looking for members who want to get involved in their association and apply their knowledge and skills in new, exciting ways. The rewards of working on behalf of your profession and colleagues are countless! Don't take our word for it – call any of the people you see pictured in this report!

If you would like to join any of these APA National Committees, Advisory Groups or Task Forces please let us know. Opportunities are described on the following pages. A great place to start is the Hotline Referral Service. This is one of APA's most valuable membership benefits and will give you the opportunity to get in touch with fellow members while at the same time honing your professional knowledge.

If you are interested in joining a committee, advisory group or task force, please complete this application and mail or fax it to APA. Thank you for your interest in serving your profession!
