Unicorn HRO's garnishments processing is standard in our SaaS application. More than 7% of all employees require a wage garnishment. Federal, state, and local laws are becoming more complex, and the risk of errors begins to fall on employers. Unicorn HRO helps eliminate risk and easily calculates, prioritizes, and streamlines the garnishment process.
Contact: Timothy Diassi

- Feature 1:** Automates garnishment processing
- Feature 2:** Eliminates risk
- Feature 3:** Prioritizes multiple garnishments
- Feature 4:** Removes the process from accounts payable
- Feature 5:** Payroll
