1. **INTRODUCTION**

1.1 **Background**

In 1996, Congress passed the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), which required the Social Security Administration (SSA) and the legacy Immigration and Naturalization Service (INS), now the U.S Citizenship and Immigration Service (USCIS) to initiate employment verification pilot programs. Presently, E-Verify, previously known as Basic Pilot, implements this mandate.

1.2 **Basic Overview of E-Verify**

E-Verify is an Internet-based system operated by USCIS in partnership with SSA. E-Verify is currently free to employers and is available in all 50 states, the District of Columbia, Puerto Rico, Guam and the U.S. Virgin Islands. E-Verify electronically compares information entered on the Employment Eligibility Verification, Form I-9, with records contained in SSA and Department of Homeland Security (DHS) databases to help employers verify the identity and employment eligibility of newly hired employees.

The E-Verify User Manual is designed for use by participating employers and/or those who will be performing electronic employment eligibility verifications of newly hired employees. Although participation in E-Verify is voluntary, employers must consent to the conditions detailed in this manual.

1.2.1 **Privacy Statement**

It is essential to protect the privacy of individuals submitting information for processing through E-Verify. Since E-Verify involves collecting and using an individual’s personal information, it is your responsibility to ensure that this information is safeguarded, and that it is used only for the purposes outlined in the MOU between you and the E-Verify Program administrators. Failure to properly protect individuals’ information can result in identity theft or fraud and can cause considerable inconvenience, harm, or embarrassment to the individuals. In addition, if you do not comply with the Privacy Act or other applicable laws and regulations, you may be subject to criminal penalties. As a result, you should take the following steps to protect personal information and comply with the appropriate regulations:

- Allow only authorized employees to use E-Verify. Ensure that only the appropriate employees handle information and perform verification queries.
- Secure access to E-Verify. Protect the password you use to access E-Verify and ensure that unauthorized users do not gain access to the system.
- Protect and store individuals’ information properly. Ensure that applicants’ information is stored in a safe and secure location and that only authorized individuals have access to this information.

This User Manual is organized into the following chapters:

1. Introduction
2. Getting Started
3. Case Administration
4. User Administration
1.3 Access Methods

There are four types of access methods in E-Verify from which employers can choose:

- **Employer Access Method**: Nearly all E-Verify participants, regardless of business size or structure, are registered as an Employer. This access method allows your company to electronically verify the employment eligibility of your newly hired employees.

- **Designated Agent Access Method**: The Designated Agent (DA) access method allows you to act on behalf of other companies to verify the employment eligibility of their newly hired employees.

- **Corporate Administrator**: Some companies may have E-Verify accounts for multiple offices or locations. The Corporate Administrator role allows you to create, manage and oversee E-Verify accounts for multiple offices or locations. You can view reports and administer new and existing E-Verify accounts. Your Corporate Administrator account does not allow you to perform employment eligibility verifications for your location. However, you may perform verifications by creating an Employer access method account for your location within your Corporate Administrator account.

- **Web Services**: The Web Services access method requires a company to develop software that interfaces with USCIS to perform employment eligibility verifications of newly hired employees. Your company’s software will extract data from your existing system or an electronic Form I-9 and transmit the information to government databases. If you choose this option, you will be sent the Employer Web Services Interface Control Document (ICD). The ICD contains the information you need to develop and test your software interface. Both Designated Agents and Employers can use this access method.

There are three types of user roles:

- **General Users**: This user type performs verification queries, views reports, and has the capability to update his or her personal user profile.

- **Program Administrators**: This user type is responsible for creating user accounts at his or her site for other Program Administrators and General Users. Program Administrators have the capability to view reports, perform queries, update profile information, and unlock user accounts.

- **Corporate Administrators**: This user type shares its’ name with the Corporate Administrator access method. This user is responsible for managing multiple company accounts from a central location. Corporate Administrators have the ability to unlock accounts, view reports for multiple company sites, as well as register and administer company sites and user accounts.

User roles determine which functions are available.

The following table shows the functions for the different User Roles:

2. GETTING STARTED

2.1 Participating in E-Verify
E-Verify is voluntary in most states and free of charge to participating employers.
Some states require all employers or certain employer populations within the state to use E-Verify. You should check with your state government to determine if your state requires your company to use E-Verify.

2.1.1 Notifying Prospective Employees of your E-Verify Participation

As a participating employer, you are required to post the English and Spanish notice provided by DHS indicating your company's participation in the program, as well as the Right to Work Poster issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices. Both of these notices must be clearly displayed in plain view at your hiring site(s) to inform prospective employees that your company is participating in the E-Verify Employment Verification Program. These notices are available in the Online Resources section of E-Verify.

If you have difficulty posting E-Verify participation notices due to the setup of your business, ensure that all prospective employees receive them with their application materials.

2.2 Preventing Discrimination: The E-Verify Rules of Use

1. Employees must be newly hired with a completed Employment Eligibility Verification Form I-9 (referred to hereafter as Form I-9) before you can use E-Verify to initiate queries about the employees for your company.

2. Form I-9 requirements remain the same except that all "List B" identity documents must bear a photograph.

3. Employers must submit verification queries for newly hired employees no later than the 3rd business day after they start work for pay.

4. If you discover that you failed to initiate a verification query by the third business day after the employee starts work for pay, you should bring your company into compliance to the extent possible with program requirements immediately by initiating the query (if you also failed to complete the Form I-9, which should be completed first).

If a verification query is not initiated by the third business day after the employee starts work for pay, the employer must note the reason for the delay and attach it to the Form I-9.
5. Employers may not verify newly hired employees selectively, and must follow E-Verify procedures for all new hires while their company is participating.

6. Employers may not request that the employee use certain documentation for Form I-9 or E-Verify purposes.

7. Employers may not use E-Verify to discriminate against any job applicant or new hire on the basis of his or her national origin, citizenship, or immigration status.

8. Employers may not use the system to pre-screen applicants for employment.

9. Employers may not go back to check employment eligibility for employees hired before their company signed the Memorandum of Understanding (MOU) with USCIS and SSA.

10. Employers may not use the system to re-verify employment authorization.

11. Employers must provide their employees with an opportunity to contest a Tentative Nonconfirmation (TNC).

12. Employers cannot take any adverse action against an employee based upon E-Verify unless the program issues a Final Nonconfirmation.

13. Employee must continue to work during the verification process.

### 2.3 Protecting Passwords

Every system user will receive a User ID and password.

For security purposes, passwords need to be protected. You should not:

- Share your password with anyone, or
- Post or write down your password where it can be viewed by others.

Passwords expire every 90 days. E-Verify will automatically ask you to create a new password when the old one expires. However, if you feel your password has been compromised, you should change it immediately. (See Section 4.1 of this Manual for step-by-step instructions on how to change your E-Verify password).

If you attempt to log on with an incorrect password 3 times, the system will lock your user account. If this happens, contact your Program Administrator, who is able to unlock your user account or use the Password Challenge feature to unlock your account (see Section 2.3.1 of this user manual).

#### 2.3.1 How to Retrieve a Forgotten Password or Reset a Locked Password

The password challenge option enables you to reset your password if you forget your password, or if your account is locked after three consecutive, unsuccessful login attempts.

To activate the password challenge, you must select the Forgot Your Password Link on the login page and correctly answer three questions that you have chosen
beforehand. Once you have selected **Password Challenge Q&A**, select the question you want to use for each of the three challenge questions and enter the answer in the **Answer** field, and select **Submit**.

All new users are required to set up their password challenge questions and answers when they first log in to E-Verify. However, if you haven’t set up your questions and answers or if you feel your answers have been compromised, select **Change Password** from the **User Administration** menu. The **Change Password** page will appear. If the system processed the password change, then use the new password for the next E-Verify session.

### 2.4 E-Verify Navigation Basics

Screens within E-Verify are called pages. Each E-Verify page has five distinct areas:

- **Banner Area**
- **Options Area**
- **Message Area**
- **News Ticker**
- **Navigation Area**

**Exhibit 2-1: E-Verify Home Page**

1. **Banner Area**
   The Banner area contains the E-Verify name and logo.

2. **Options Area**
The **Options** area contains five navigational controls: **Online Resources, Tutorial, Home, About** and **Exit**.

- If you select **Online Resources**, the system will display additional information relating to employment verification, including the E-Verify participation poster, the Right to Work poster, and the E-Verify User Manual.
- If you select **Tutorial**, the system will display the Web-based tutorial.
- If you select **Home**, the system will display the E-Verify home page.
- If you select **Exit**, you will be logged out of E-Verify and the **Verification Information System Logon** page will be displayed.

</tr>
</thead>
<tbody>
<tr>
<td>To exit E-Verify, you should always select <strong>Exit</strong> from the <strong>Options</strong> area. Otherwise, the system will consider you logged in.</td>
</tr>
</tbody>
</table>

3. **Message Area**
The **Message** area provides important updates on E-Verify and displays the number of cases requiring action.

4. **News Ticker**
The **News Ticker** provides information affecting employment verification and best practices.

5. **Navigation Area**
The **Navigation** area contains menus that list various options. Selecting an option from a menu is the first step of a task or function and displays the page that is needed for completion. The menus that are available depend on your role (General User, or Program Administrator) and which version of E-Verify you are using.

3. **CASE ADMINISTRATION**

3.1 What is Case Administration?

In the Case Administration section, employers will learn about the verification process, including how to submit an initial verification, view the verification results, acknowledge an employee's response (Notice of Tentative Nonconfirmation), refer a case, and resolve a case.

3.1.1 **E-Verify Requirements for Use**

See Section 2.2 for the rules employers and designated agents must follow when using E-Verify.

3.2 **Overview of the Verification Process**

The verification process consists of the following steps:

- Completing the Form I-9 (See Section 3.2.1)
- Submitting an Initial Query (See Section 3.2.2)
- Viewing the Results of an Initial Verification (See Section 3.2.3)
- Requesting Additional Verification from DHS (See Section 3.2.4)
- Notifying an Employee of a Tentative Nonconfirmation Response (See Section 3.2.5)
- Referring an Employee to SSA (See Section 3.2.6)
- DHS Verification in Process (See Section 3.2.7)
- Photo Screening Tool (See Section 3.3)
- Resolving cases in E-Verify (See Section 3.4)

3.2.1 **Completion of the Form I-9**

Employers must ensure that their newly hired employees fully complete Section 1 of the Form I-9. Unless the employee attests in Section 1 of the Form I-9 that he or she is a citizen or national of the United States, the employee must provide his or her Alien Number or I-94 Number.

<table>
<thead>
<tr>
<th><strong>IMPORTANT</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Providing the Social Security number is voluntary, except for employees hired by employers participating in E-Verify.</td>
</tr>
</tbody>
</table>

Employers must complete Section 2 of the Form I-9 by examining the documents that prove the identity and employment eligibility the employee. The employer may not specify which document(s) from the List of Acceptable Documents on the Form I-9 an employee may present.

An employer may accept one document from List A, which proves both identity and employment eligibility, or a combination of documents from List B, which proves identity, and List C, which proves employment eligibility.
IMPORTANT

Any List B document presented to an employer participating in E-Verify must contain a photograph.

Employers may not ask to see a document that shows the employee’s Alien Number if the employee provides an Alien Number but no supporting document. However, if the employee presents a Social Security card with the legend “VALID FOR WORK ONLY WITH DHS AUTHORIZATION,” then the employer may ask to see the immigration document authorizing employment.

If the employee presents a Form I-551 (Lawful Permanent Resident Card) or I-766 (Employment Authorization Card) for their Form I-9, you must make a copy of their document. This is a requirement for the Photo Screening Tool (see Section 3.3)

To view or download the Form I-9, go to: http://www.uscis.gov/files/form/i-9.pdf.

TIP

If you need more information on Form I-9 procedures, refer to the Online Resources page of your E-Verify account, where you will find the Handbook for Employers or go to http://www.uscis.gov/files/nativedocuments/m-274.pdf. For assistance in finding additional Form I-9 resources, call the E-Verify Customer Support at 1-888-464-4218.

3.2.2 Submitting an Initial Verification Query

- Once a newly hired employee has completed the Form I-9, the employer may then initiate a verification query in E-Verify. Employers must conduct this initial verification query no later than the 3rd business day after the employee begins work for pay.

- If the employer learns that it has erroneously failed to initiate a verification query by the third business day after the employee starts work for pay, it should bring itself into compliance to the extent possible with program requirements immediately by initiating the query (if the employer has also failed to complete the Form I-9, that should be corrected first).

Employers must follow E-Verify procedures for all new hires while participating in the program and may not verify selectively.

Employers use the Case Administration menu to verify employment eligibility for all newly hired employees, and to manage open or closed cases. The Case Administration menu provides the following options:

- Initial Verification
- View Cases
To verify a newly hired employee, select **Initial Verification** from the **Case Administration** menu.

</tr>
<tr>

</tr>
</tbody>
</table>

To submit an initial verification, perform the following steps:

1. Select **Initial Verification** from the **Case Administration** menu.

**Exhibit 3-1: Employee Information from Form I-9**

Enter Employee Information from Form I-9:
The employee attests to be (select one of the following):
- [ ] A citizen or national of the United States
- [ ] A Lawful Permanent Resident
- [ ] An alien authorized to work

[Next]

2. After indicating both the employee’s attested citizenship status from Section 1 of the Form I-9 and the documents the employee has presented, the **Initial Verification** page will appear.
Exhibit 3-2: Initial Verification

Enter Employee Information from Form I-9:

The employee attests to be (select one of the following):

- A citizen or national of the United States
- A Lawful Permanent Resident
- An alien authorized to work

3. Type the employee’s name exactly as it appears in Section 1 of the Form I-9 in the Last Name, First Name, Middle Initial, and Maiden Name fields. Only those fields with an asterisk (*) are required. For assistance in entering compound and hyphenated names, select the question mark icon located to the right of the Last Name field.

4. Type the employee’s Social Security number as it appears in Section 1 of the Form I-9 in the Social Security Number field. This number is required for all employees. You have three options for entering an SSN: with spaces, without spaces or with hyphens.

5. Type the employee’s date of birth as it appears in Section 1 of the Form I-9 in the Date of Birth field. (Enter the date in mm/dd/yyyy format. Slashes (/) must be included in the date field.)

6. Type the employee’s hire date in the Hire Date field. (Enter the date in mm/dd/yyyy format. Slashes (/) must be included in the date field.)

7. Type the expiration date for the presented document(s), if applicable, in the Document Expiration Date field (Enter the date in mm/dd/yyyy format. Slashes (/) must be included in the date field.)

8. If the employee is a non-citizen, the Alien Number or I-94 number is required. If the Alien Number is less than 9 digits, add leading zeros to the number. Do not include the letter "A" as part of the Alien Number. The I-94 number consists of 11 digits.
Alien Numbers and I-94 numbers are not the same:
- Alien numbers consist of nine digits or less. I-94 numbers consist of 11 digits.
- Because the Alien Number field requires a nine-digit number, add leading zeros if the alien number is less than 9 digits.
- Alien numbers are preceded by the letter "A," but do not type the letter "A" into the Alien Number field in E-Verify.
- For example, an employer would enter the alien number A1234567 as "001234567."

9. The Employer Case ID is an optional field for those who wish to assign an internal tracking mechanism to a case.

10. When you are finished entering the employee’s information, select Next to submit the initial verification.

3.2.3 Viewing the Results of an Initial Verification

If the information that you entered matches the information in SSA and DHS’ databases, you will receive the results within three to five seconds.

If the information that you entered does not match SSA’s or DHS’ databases, you will be asked to review the information you entered to make sure that it is correct. If the information does not match the employee’s Form I-9, e.g., you may have made a keying error, type the changes on this page. You may make changes to the employee’s Name, Social Security Number, Date of Birth and Alien/I-94 Number. When finished, select Continue Verification.

[EXHIBIT 3-4: SSA Verification Information]

IMPORTANT

- Do not select the Back button on your browser, as this will generate a new query.
After selecting **Continue Verification**, you will see one of the following responses:

- **EMPLOYMENT AUTHORIZED**: This response indicates that employment eligibility is verified and the case may be resolved.

- **SSA TENTATIVE NONCONFIRMATION** (SSA TNC): This response indicates that the employee’s Social Security information could not be verified. The employee must be notified of the TNC response and referred to SSA if he or she contests the SSA TNC. See **Section 3.2.6** for how to refer the new hire to SSA to resolve a TNC by using E-Verify’s electronic process along with the required written notice.

- **DHS VERIFICATION IN PROCESS**: This response indicates that the non-citizen’s information provided to SSA matches the information contained in SSA records, but did not match DHS’ records. The case is then automatically referred to DHS for further verification. You do not need to take any action at this point. DHS will respond to most of these cases within 24 hours, although some responses may take up to 3 federal government workdays. You should check the system daily for a response.
The **Case Verification Number** is a unique number returned by E-Verify. Write the **Case Verification Number** on the employee’s Form I-9 or print the **Case Details** page, which includes the **Case Verification Number**, and attach it to the employee’s Form I-9. Keep the **Case Verification Number** in your records so that USCIS can help you resolve any problems that arise in a case.

### 3.2.4 Requesting Additional Verification for DHS Employment Authorized

Occasionally, the name displayed by E-Verify in the **Initial Verification** section is different from the name you submitted to E-Verify. Ensure that both the first and last name matches the information that you provided. If they do not match, you should request additional verification.

When you request additional verification, E-Verify will forward the case to a DHS Immigration Status Verifier. A message will appear at the bottom of the **Case Details** page within seconds, indicating that the request is in process. DHS usually returns a response to a request for additional verification within 24 hours of receipt; however, DHS has up to 3 federal government workdays to respond.

### Exhibit 3-6: Request Additional Verification
To request an additional verification, perform the following steps:

1. Select **Request Additional Verification**

2. Type the reason for the additional verification request in the **Comments** field.

3. Select **Submit Additional Verification**. An updated **Case Details** page will appear, and the verification response will be **DHS VERIFICATION IN PROCESS**.

4. Check E-Verify daily for a response.

### 3.2.5 Notifying an Employee of a Tentative Nonconfirmation (TNC) Response

A Tentative Nonconfirmation (TNC) response indicates SSA and/or DHS could not confirm that the employee’s personal information matches SSA and/or DHS records. A TNC does not necessarily mean that the employee is not authorized to work in the United States.

It is the employer’s responsibility to contact the employee as soon as possible to provide them the opportunity to contest the TNC and resolve the discrepancy in their record. Under the law, the employee must be allowed to continue working while resolution of a TNC is pending.

#### 3.2.5.1 If an Employee Receives an SSA TNC

If your employee receives an SSA TNC, perform the following steps:

1. Notify the employee of the TNC as soon as possible.

### Exhibit 3-7: TNC Response
2. Select **Notification to Employee** to display the TNC notice in either English or Spanish. The **Notice to Employee of Tentative Nonconfirmation** will appear.

3. Print the **Notice to Employee of Tentative Nonconfirmation** using your browser’s print option.

4. Provide the notice to your employee and review it with them. Instruct the employee to indicate whether he or she wants to contest the TNC by clicking **Contest** or **Not Contest**.

5. Instruct the employee to sign and date the notice in the **Signature of Employee** area.

6. The employer also must sign and date the notice in the **Signature of Employer Representative** area.

7. Give a copy of the signed notice to the employee.
# IMPORTANT

The **Notice to Employee of Tentative Nonconfirmation** notifies the employee of the TNC response, but does not provide instructions on how to resolve the discrepancy in the employee’s records. If the employee contests the TNC, the employer must provide an SSA or DHS **Referral Letter** to the employee.

---

8. File the signed **Notice to Employee of Tentative Nonconfirmation** with the employee’s Form I-9.

9. If the employee does not contest the TNC, select **Resolve Case**. (See Section 3.2.8). The employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).

10. If the employee contests the TNC, you must electronically refer the employee to the appropriate agency. Select **Initiate SSA Referral** at the bottom of the screen, which allows SSA electronic access to the employee’s case when he or she visits the SSA field office to resolve the discrepancy in his or her record. The employer **may not** take action against the employee while the employee resolves his or her case within the time allotted.

---

# IMPORTANT

The employee must visit an SSA office within 8 federal government workdays of referral to resolve his or her employment eligibility.

---

Two buttons will appear on the **Confirm Employee Notification** page: **Notified** and **Not Notified**.

---

**Exhibit 3-8: Notification Buttons**
If the employee has been notified of the TNC and has signed the **Notice to Employee of Tentative Nonconfirmation**, then select **Notified**. The **Case Details** page will appear.

- If you click **Not Notified**, the SSA referral will not appear. You will be returned to the **Case Details** page so that you can view and print the TNC notice and discuss it with the employee.

### 3.2.6 Referring an Employee to SSA

If an employee contests an SSA TNC, you must refer him or her to SSA. SSA will take the following steps on a SSA TNC case.

- SSA will determine if the Social Security record needs to be updated.
- SSA will update the Social Security records based on acceptable evidence provided.
- SSA will verify the authenticity of evidence submitted with the issuing entity.
- SSA will send the employer updated case status information on the employees’ **Case Details** page based on Social Security number record.

To complete the SSA referral process, perform the following steps:

1. Access the employee’s **Case Details** page.

---

**Exhibit 3-9: Case Details Page to Initiate an SSA Referral**
2. Select the **Notification to Employee – Referral to Social Security Administration** document in either English or Spanish.

3. Print the SSA referral letter using your browser’s print option.

4. Sign and date the SSA referral letter.

5. Instruct the employee to sign and date the referral letter.

6. Give a copy of the SSA referral letter to the employee and instruct him or her to take it to the SSA office within 8 federal government workdays. See Attachment A for instructions on locating the correct SSA office for the employee. The SSA referral letter provides specific instructions for the employee on how to contact SSA in order to remedy their records.

7. File a copy of the SSA referral letter with the employee’s Form I-9.

8. Check E-Verify regularly for a change in an employee’s status for a contested SSA TNC case. This is similar to the process for DHS referrals. If the employee does not visit SSA within 8 days, E-Verify will automatically send an SSA Final Nonconfirmation response to you 10 days after the referral was generated, unless SSA notifies you that the case is still pending.
3.2.6.1 E-Verify Responses to SSA Referrals

E-Verify will respond with one of the following messages:

- **EMPLOYMENT AUTHORIZED:** This response indicates that employment eligibility is verified. You should resolve the case, ending the verification process.

- **SSA FINAL NONCONFIRMATION:** This indicates that the SSA could not verify the furnished information. You should resolve the case, ending the verification process.

- **DHS VERIFICATION IN PROCESS:** This response indicates that the non-citizen’s information provided to SSA matches the information contained in SSA records. The case is then referred to DHS for employment eligibility verification. DHS responds to most of these cases within 24 hours, although DHS is permitted up to 3 federal government workdays to respond. You should check the system daily for a response.

- **DHS TENTATIVE NONCONFIRMATION: (Photo Tool Non-Match):** This response indicates that the employer determined that the photo on the employee’s document does not match the photo supplied by E-Verify. At this point, inform the employee of the DHS Tentative Nonconfirmation and give them the option to contest.

- **REVIEW AND UPDATE EMPLOYEE DATA:** In some cases, SSA will prompt you to review and update the employee information you entered into E-Verify and resubmit the case (see Section 3.2.6.1.2). This means that SSA has determined that there appears to be a discrepancy in the employer’s data. This discrepancy may result from any of the following situations:
  - An employer keying error on E-Verify;
  - The newly hired employee unintentionally provided incorrect information on the Form I-9; or
  - The newly hired employee intentionally provided incorrect information on the Form I-9.

3.2.6.1.2 Initiating a Resubmittal Case to SSA

To resubmit a case to SSA, perform the following steps:

1. Review with the employee, the accuracy of the information they provided on the Form I-9. If the employee made a mistake on the Form I-9, update the Form I-9 for your records.

2. Access the employee’s Case Details page to ensure that you entered the information on the employee’s Form I-9 correctly into E-Verify.

3. If you need to make changes to the employee’s information in E-Verify, select Initiate SSA Resubmittal on the Case Details page.

Exhibit 3-10: Initiate SSA Resubmittal
4. The **Modify SSA Information** section will appear on the **Case Details** page. Edit the information confirmed by the employee in the **Modify SSA Information** section.

**Exhibit 3-11: Case Details Page to Modify SSA Information**
5. Select **Submit SSA Resubmittal**. The **Confirm SSA Resubmittal** page appears with a warning message and a **Submit SSA Resubmittal** button.

**Exhibit 3-12: Case Warning**

![Case Warning Image]

6. Read the warning message on the **Confirm SSA Resubmittal** page. Employers may only resubmit a case once. Because a case can only be resubmitted once, ensure that you meet the resubmittal criteria in the warning message before proceeding with the resubmittal.

7. Select **Submit SSA Resubmittal**. When you do so, the information is compared to SSA records, and E-Verify will provide a response within seconds.

Once SSA verifies that the furnished information on the employee matches the information in SSA records, SSA refers the case to DHS to verify the employee’s employment eligibility. If DHS is unable to electronically verify the information, the case is sent to an Immigration Status Verifier, resulting in a DHS VERIFICATION IN PROCESS. A DHS VERIFICATION IN PROCESS could have the following results:

- **EMPLOYMENT AUTHORIZED**: This response indicates that employment eligibility is verified, and the case can be resolved.

- **DHS TENTATIVE NONCONFIRMATION**: This response indicates that employment eligibility could not be verified, so the employee must be notified of the response and referred to DHS if he or she contests.

- **DHS TENTATIVE NONCONFIRMATION (Photo Tool Non-Match)**: This response indicates that the employer determined that the photo on the employee’s document does not match the photo supplied by E-Verify. At this point, inform the employee of the DHS Tentative Nonconfirmation and give him or her option to contest.

- **CASE IN CONTINUANCE**: This response indicates that DHS needs more than 10 federal government workdays to resolve employment eligibility. You must wait until DHS provides a definitive response before resolving the case.

3.2.7.1 If an Employee Receives a DHS TNC

If DHS sends a DHS TENTATIVE NONCONFIRMATION message, perform the following steps:

1. Notify the employee of the TNC as soon as possible.
Exhibit 3-14: TNC Response

2. Select **Notification to Employee** to display the TNC notice in either English or Spanish. The **Notice to Employee of Tentative Nonconfirmation** will appear.

3. Print the **Notice to Employee of Tentative Nonconfirmation** using your browser’s print option.

4. Provide the notice to your employee and review it with them. Instruct the employee to indicate whether he or she wants to contest the TNC by clicking **Contest** or **Not Contest**.

5. Instruct the employee to sign and date the notice in the **Signature of Employee** area.

6. The employer also must sign and date the notice in the **Signature of Employer Representative** area.

7. Give a copy of the signed notice to the employee.

8. File the original signed **Notice to Employee of Tentative Nonconfirmation** with the employee’s Form I-9.

**IMPORTANT**

The **Notice to Employee of Tentative Nonconfirmation** notifies the employee of the TNC response, but does not provide instructions on how to resolve the discrepancy in the employee’s records. If the employee contests the TNC, the employer must provide an SSA or DHS **Referral Letter** to the employee.
9. If the employee does not contest the TNC, select **Resolve Case**. (See Section 3.2.8). The employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).

10. If the employee contests the TNC, you must electronically refer the employee to the appropriate agency. Select **Initiate DHS Referral** at the bottom of the screen, which allows DHS electronic access to the employee’s case when he or she calls DHS to resolve the discrepancy in his or her record. The employer **may not** take action against the employee while the employee resolves his or her case within the time allotted.

### 3.2.7.2 Referring an Employee to DHS

If the employee contests the DHS TNC, you must refer him or her to DHS to resolve the discrepancy in the employee’s record. To refer an employee to DHS, perform the following steps:

1. Access the **Case Details** page, then select **Initiate DHS Referral**. The **Confirm Employee Notification** page will appear with the question: “Has the employee been notified of the Tentative Nonconfirmation Notice?” Two buttons also appear: **Notified** and **Not Notified**.

2. If the employee has been notified of the referral, select **Notified**. The DHS referral letter will appear.

3. Print the DHS referral letter using your browser’s print option and review it with the employee. The letter provides specific instructions for the employee on how to contact DHS in order to remedy the TNC. Failure to provide the letter to the employee may constitute unlawful discrimination.

4. Instruct the employee that he or she has 8 federal government workdays from the date of referral to resolve the discrepancy in his or her case.

5. Both you and the employee will sign the referral letter. Before filing with the employee’s Form I-9, provide a copy to the employee.

6. Check E-Verify daily for a response.
### Contact Information

| 📞 | The toll-free number on the DHS referral letter is staffed by Immigration Status Verifiers in Los Angeles. Their office hours are 7 a.m. until 5:30 p.m., Pacific Standard Time. To contact an Immigration Status Verifier to resolve a case call (888) 897-7781. If an Immigration Status Verifier requests information be faxed to them their toll-free fax number is (888) 265-0999. |

E-Verify will provide one of the following responses, depending on whether the employee contacts DHS:

- **EMPLOYMENT AUTHORIZED**: This response indicates that the employee contacted DHS and is authorized to work. The employer should resolve the case in E-Verify.

- **DHS EMPLOYMENT UNAUTHORIZED**: This response indicates that the employee contacted DHS and is not authorized to work. The employer should resolve the case. Also, the employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).

- **DHS NO SHOW**: This response indicates that the employee did not contact DHS, and 10 federal government workdays have passed since the date of referral. This response is considered a Final Nonconfirmation, and if received, the employer should resolve the case. Also, the employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).

#### 3.3 Photo Screening Tool

In 2007, USCIS incorporated a photo verification step, called the Photo Screening Tool, into the E-Verify query process. Through this step, employers can determine whether employee documents are fraudulent by matching the photograph on the employee’s document to the official photo displayed by E-Verify. The employer’s conclusion concerning whether the photographs match will lead to either confirmation of employment eligibility or a TNC. The employer does not need to take any special action to “use” the Photo Screening Tool. The Photo Screening Tool is activated automatically when employees choose to present certain documents for completion of the Form I-9.
The Photo Screening Tool is activated only when a new hire presents a recent version of the Permanent Resident Card (I-551) (Exhibit 3-16) or an Employment Authorization Card (I-766) (Exhibit 3-17), although more document types may be added in the future.

Exhibit 3-15: Permanent Resident Card

Exhibit 3-16: Employment Authorization Card

3.3.1 Rules for Use of the Photo Screening Tool

Employers must follow these rules when the Photo Screening Tool is activated in E-Verify:

1. Employers may not require non-citizens to present Permanent Resident Cards (PRC) or Employment Authorization Cards (EAC) in order to activate the Photo Screening Tool.

2. Employers must make a photocopy of the new hire’s PRC or EAC card.
3. Employers must keep the photocopy on file with the Form I-9 for the employee.

4. Employers may only verify the photos for new hires being verified through E-Verify; employers may not use the tool for applicants or existing employees.

3.3.2 Initial Verification with the Photo Screening Tool

To submit an initial verification in which the Photo Screening Tool will activate, follow these steps:

1. Select Initial Verification from the Case Administration menu. The Initial Verification page will appear.

2. Select the status to which the employee attests:
   - Citizen of the United States
   - Lawful Permanent Resident
   - Alien Authorized to Work

3. After you select the employee’s status, you will be asked to select the document the employee has presented as Form I-9 documentation.

4. After selecting the document type, enter the employee information from the Form I-9 on the next screen, and click Next.

5. If the employee presented a PRC or EAC during the Form I-9 process, enter the card number from the card on the Enter Employee Information page. If the employee presented documentation other than a PRC or EAC, the Photo Screening Tool will not activate, and the E-Verify process will continue as usual.

<table>
<thead>
<tr>
<th>IMPORTANT</th>
</tr>
</thead>
<tbody>
<tr>
<td>All new cards always have a card number consisting of 3 letters and 10 numbers. To find the card number, click on the blue question mark icon next to the Card Number field and a help page will appear.</td>
</tr>
</tbody>
</table>

Older Resident Alien cards (I-551) without expiration dates do not have card numbers and cannot be verified with the Photo Screening Tool. When an employee presents this card, enter AAA0000000000 in the Card Number field to continue. No photo will display.

A confirmation screen appears that gives you a chance to check for errors. If you entered any information incorrectly, correct the information and select Continue Verification. Do not use your browser’s Back button.
Always check your work; incorrectly entered information will lead to a TNC and delay the verification process.

If the employee provides documentation other than a PRC or EAC, the Photo Screening Tool will not activate, and the E-Verify process will continue as usual.

### 3.3.3 Verifying the Photograph

A photo will be displayed on the E-Verify screen **only** if all of the following conditions are met:

- The employee presented a PRC or EAC during the Form I-9 process.
- The employer entered the correct card number (See Section 3.3.2)
- The information you entered from the employee’s Form I-9 matches the records in SSA and DHS databases.
- E-Verify is able to locate a photograph in USCIS’ database for that individual.

If the four conditions listed above are met, E-Verify will display the photograph that corresponds to the information you entered and ask you to choose one of the following:

- **Yes**: This means the photo on the employee’s document matches the photo displayed by E-Verify. Clothing, hair style, facing direction and appearance on the card should be identical to the photo displayed by E-Verify.

- **No**: This means the photo on the employee’s document is not identical to the photo displayed by E-Verify. (Even if it looks like the same person, the clothing, hair style, facing direction and appearance should be identical).

- **Cannot determine**: This means the employer could not determine whether the photo on the employee’s document matches the photo displayed by E-Verify.

#### 3.3.3.1 Standard for Photographic Comparison

USCIS recognizes that employers are not experts in comparing documents or photographs. However, because the photograph transmitted by E-Verify should be identical to the photograph that appears on an employee’s USCIS-issued document, employers should be able to determine whether the photographs match.

Employers should determine if the photograph supplied by E-Verify reasonably appears identical to the photograph on the employee’s USCIS-issued document. USCIS does not require 100 percent certainty in determining whether photographs are identical. For example, employers should account for minor variances in shading and detail between the two photographs based upon the following non-exhaustive list of factors:

- The age and wear of the employee’s DHS-issued document, and
- The quality of your computer monitor,
Whether you are comparing the E-Verify generated photograph with a copy or faxed copy of an employee’s document

3.3.4 Viewing the Results of a Photo Verification

Within seconds of verifying the photo, the **Case Details** page will display the results in the **Initial Verification Results** section.

**Exhibit 3-17: Initial Verification page with Sample Photograph**

The **Initial Eligibility** statement will be one of the following responses:

- **EMPLOYMENT AUTHORIZED**: This response indicates you select **Yes** because the photos were identical, and that employment eligibility is verified. You may now resolve the case.

- **TENTATIVE NONCONFIRMATION (TNC)**: This response indicates you selected **No** because the photos were not identical. You must notify the employee of the TNC response and refer him or her to DHS if he or she chooses to contest this finding. If your employee contests the TNC, follow the instructions in 3.3.6 to submit a copy of the document to DHS. You may not take adverse action against the employee based on a TNC until it is resolved. This response does NOT indicate the employee is not authorized to work.
• **DHS VERIFICATION IN PROCESS:** This response indicates that you could not determine whether the employee’s photo on his or her document matched the photo displayed by E-Verify. You must notify the employee by providing the Notification to Employee: Verification in Process to him or her. E-Verify automatically refers these cases to DHS for additional photo verification. You must always submit a copy of the document to DHS when this response is received. Once receiving a copy of the document, DHS responds to most of these cases within 24 hours.

To send a copy of the document to DHS, select:

• **Submit Electronic Document.** The file must be in .GIF format.

• **Mail Paper Copy.** See Section 3.3.6 for more information about mailing documents to DHS and using DHS’ courier service.

Check the system daily for a response. You may not take adverse action against the employee because additional DHS verification is required.

### 3.3.5 Referring an Employee to DHS after Photo Verification

If the employee contests a TNC because of a photo mismatch or Cannot Determine, you must refer him or her to DHS to resolve the discrepancy in his or her record according to the steps below:

1. Select the **Initiate DHS Referral** button.

| TIP | Cannot Determine cases are automatically referred to DHS, so you will not need to select Initiate DHS Referral. |

2. On the following page, select **Notified** if the employee has been notified of the TNC and has signed the Notice to Employee of Tentative Nonconfirmation.

3. Choose whether to upload or mail copies of the employee’s documents by selecting either **Submit Electronic Document** or **Mail Paper Copy.** If you choose to upload an electronic copy of the document, the file must be in .GIF format. For mailing options, see Section 3.3.6.

4. On the following page, select **Notification to Employee: Referral to the Department of Homeland Security** at the bottom of the screen. The referral letter is available in English or Spanish.

5. Print the referral letter using your browser’s print option.

6. Sign and date the referral letter.

7. Instruct the employee to read, sign and date the referral letter.
8. Make two copies of the signed referral letter – one for the package that will be sent to DHS, and one for the employee.

9. Give the referral letter to the employee.

10. Follow the instructions in Section 3.3.6 to send paper copies of documents to DHS.

### IMPORTANT

Only send DHS a copy or the employee’s document and referral letter if there has been a photo mismatch or you could not determine whether the photographs matched.

### 3.3.6 Mailing Copies of Documents to DHS

DHS has an express courier account that you may use free of charge to send DHS copies of an employee’s documents in the event of a TNC or DHS Verification in Process because of a photo verification. You may also send the documents via the U.S. Postal Service, or a courier of your own choice at your own expense.

Your package must include:

- A photocopy of the employee’s PRC or EAC
- A photocopy of the employee’s DHS referral letter

### IMPORTANT

Do NOT send original documents to USCIS.

To submit documents via the U.S. Postal Service, DHL or another express courier, please use the following address:

3.3.7 E-Verify Responses after Employee Referral to DHS

The employee has eight federal government workdays from the date of referral to resolve the discrepancy in his or her case by calling a toll-free number provided on the referral letter, and providing the Immigration Status Verifier with his or her verification number and other information on the referral letter.

E-Verify will provide one of the following responses within 10 day of the referral, depending on whether the employee contacts DHS:

- **EMPLOYMENT AUTHORIZED**: This response indicates that the employee contacted DHS and is authorized to work. The employer should resolve the case in E-Verify.
- **DHS EMPLOYMENT UNAUTHORIZED**: This response indicates that the employee contacted DHS and is not authorized to work. The employer should resolve the case. Also, the employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).
- **DHS NO SHOW**: This response indicates that the employee did not contact DHS, and 10 federal government workdays have passed since the date of referral. This response is considered a Final Nonconfirmation, and if received, the employer should resolve the case. Also, the employer may now terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the Memorandum of Understanding (MOU).

3.4 Resolving Cases

The final step in the E-Verify process is to resolve the case. Resolving cases will:

- Remove cases from your screen, and
- Assist DHS with maintaining statistics on the E-Verify program.

If you do not resolve your cases, the system will indicate that you have cases requiring action and that some of those cases need to be closed. You may resolve a case under the following circumstances:

- When the SSA response is either EMPLOYMENT AUTHORIZED or SSA FINAL NONCONFIRMATION.
- When the DHS response is EMPLOYMENT AUTHORIZED, DHS EMPLOYMENT UNAUTHORIZED, or DHS NO SHOW.
- When the employee does not contest a response of SSA TNC or DHS TNC.
- When the employee quits or been terminated for reasons unrelated to immigration status while the verification query is in process.
• When a duplicate case or case with incorrect data was entered into the system, you should resolve as an invalid query.

After you resolve the case, the **Case Resolution** section appears on the **Case Details** page, which includes the case resolution, the User ID of the person who resolved the case, and the date of resolution. The **Case Details** page also includes the information on the case in the order in which it was entered or supplied by the system. It is recommended that you print the case information for your records.

**Exhibit 3-18: Case Details Page**

To resolve a case, perform the following steps:

1. Access the **Case Details** page if it is not already displayed.
2. Select **Resolve Case**.
3. In the **Enter Case Resolution** section, select the appropriate resolve option.
Exhibit 3-19: Case Details Page with Resolution Options

- **Resolved Authorized**: Select this option when employment is authorized.

- **Resolved Unauthorized/terminated**: Select this option when employment is not authorized (SSA FINAL NON-CONFIRMATION, DHS EMPLOYMENT UNAUTHORIZED, or DHS NO SHOW), or when there is an uncontested TNC response and employment is terminated.

- **Self Terminated**: Select this option if an employee quits or is terminated for reasons unrelated to employment eligibility status while the verification query is in process.

- **Invalid Query**: Select this option if you discover that you sent a duplicate query, or a query with incorrect data.

- **Employee Not Terminated**: Select this option to notify DHS that you are not terminating an employee whose employment is not authorized (SSA FINAL NON-CONFIRMATION, DHS EMPLOYMENT UNAUTHORIZED, or DHS NO SHOW), or who is not contesting a TNC response.

4. Select **Submit Resolve Case**. The Enter Case Resolution section changes to the Case Resolution section, and the Print Case Details button returns to the Case Details page.

**IMPORTANT**

Once you have resolved a case, no further changes may be made to the case.
5. Select **Print Case Details**.

6. The **Case Details Report** appears on another page.

7. Print the report by select your browser’s print option.

8. Select **Back** on the browser’s toolbar to return to the Case Details page.

9. Select **Close** to return to the **Case Summary List**.

10. File the report with the employee’s Form I-9.

### 3.5 Searching for Cases

The **View Cases** option allows you to search for cases, display a list of cases, and access the details of a specific case.

**Exhibit 3-20: Case Search Page**

You are able to search by Case Status if you choose:

- **All Open Cases**-This feature allows the user to see all open cases.
- **Cases Requiring Action**- This feature allows the user to see cases requiring action.
- **Cases in Process**-This feature allows the user to see cases currently pending in E-Verify.
- **Resolved Cases**-This feature allows the user to select the appropriate option to resolve (close) all cases queried through the E-Verify system.
Once you have selected the appropriate case status, you may search by:

- Case Verification Number
- Alien Number
- I-94 Number
- Social Security Number
- Date Initiated From
- Date Initiated To
- Initiated By

Select **Display Case Summary List** after you have entered your search terms.

### 3.5.1 Navigating the Case Summary List Page

After entering the case search criteria, each row on the **Case Summary List** page displays information for a single case, which is identified by the verification number. Click the row of the case you wish to examine to open the case summary.
4. User Administration

Employers may use the User Administration menu to change passwords and update personal profiles.

4.1 Changing Your Password

Passwords need to be protected; therefore, do not write down passwords or share them with anyone. If you feel that your password may have been compromised, change it immediately.

Exhibit 4-1: Change Password Page

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>Old Password:</td>
</tr>
<tr>
<td>New Password:</td>
</tr>
<tr>
<td>Re-type New Password:</td>
</tr>
</tbody>
</table>

To change your password, perform the following steps:

1. Select Change Password from the User Administration menu. The Change Password page will appear.

2. Type your current password in the Old Password field.

3. Type your new password in the New Password and the Re-Type New Password fields. The new password cannot be the same as any of your last six passwords.

4. View the confirmation message:
   
   - If the system processed the password change, then use the new password for the next E-Verify session.
   - If the system was unable to process the password change due to user error, carefully repeat the steps for changing your password.
   - If the system was unable to process the password change, try changing your password later.

4.1.2 Password Requirements

Passwords must be at least eight characters but no more than 14 characters in length and must include at least three of the following characters:

- An uppercase letter
- A lowercase letter
- A number
- One of the following characters: ! @ $ % * ( ) < > ? ; { } + - ~
ILikeH2O is an example of a password that is eight characters in length with three of the four required characteristics (an uppercase letter, a lowercase letter, and a number).

Passwords are case-sensitive.

4.2 Password Challenge Q&A

The password challenge Q & A enables you to reset your password without having to contact a Program Administrator if you forget your password, or if your account is locked after three consecutive, unsuccessful login attempts.

Exhibit 4-2: Password Challenge Q&A

To activate the Password Challenge Q & A, perform the following steps:

1. Select Password Challenge Q&A from the User Administration menu.

2. Select the question you want to use for each of the three challenge questions, enter the answer in the Answer field, and select Submit.

If you decide to change any of the questions at a later time, you must reset the other questions and answers. You can reuse any questions and answers. Like passwords, you should not share answers to these questions since these enable you to change your password.

4.3 Updating Your Profile

Each person with access to E-Verify has a user profile that includes his or her name, telephone number, fax number, and e-mail address. Users should update this information whenever necessary, using the Change User Profile page.
To update your profile, perform the following steps:

1. Select **Change Profile** from the **User Administration** menu. The **Change User Profile** page will appear.

2. Add information or edit the fields as necessary. An asterisk (*) next to a field indicates that it is a required field.

3. Select **Submit User Profile Changes**. The **Change User Profile Results** page, which contains the confirmation message and your profile information, will appear.

4. Review the confirmation message to see whether the request for profile updates was successful. If the system was unable to process the user profile updates, the user should update his or her profile later. If the second profile update attempt fails, contact the Technical Help Desk at 1-800-741-5023.
5. Site Administration (Program Administrators Only)

Program Administrators use the Site Administration menu to:

- Add General Users and other Program Administrators located at their site.
- Change or update their company’s profile information.
- Terminate their company’s access to the E-Verify.

5.1 Adding a User Account

The Program Administrator may add E-Verify user accounts on the Add User – Personal Information page.

Exhibit 5-3: Add User Page with Personal Information Section

To enter a new user’s information, perform the following steps:

1. Access the Add User.

2. Enter the user’s role, first and last name, telephone number and e-mail address, and optional fax number in the provided fields, and select Next.

- The user roles relate to what data and functions users may access. They are:
  - **General Users**: Perform verification queries; view reports; and update their personal user profiles.
  - **Program Administrators**: Create user accounts at their sites for other Program Administrators and General Users, view reports, perform verification queries, update profile information, and unlock user accounts. New users must be located at the site with the Program Administrator.

E-Verify will generate a User ID for the new user, which will appear in the User ID field on the Add User – Enter Password page. You may either accept or change this User ID. This is the only opportunity you will have to modify the User ID.
The User ID must be exactly eight characters. The characters may be letters, numbers or a combination of both. The User ID is not case-sensitive.

**5.2 Viewing and Modifying User Accounts**

The **View Users** option allows you to view and maintain user accounts, including deleting users, changing or updating user information, and resetting user passwords.

To search for a user, perform the following steps:

1. Select **View Users** from the **Site Administration** menu to access the **Enter User Search Criteria** page.
Exhibit 5-3: Enter User Search Criteria Page

2. To search by User ID, select the person’s User ID from the User list.

3. To search by first or last name, type up to 30 alphabetic characters (hyphens and spaces allowed), or enter a partial name and use the percent (%) sign before or after as a wildcard character.

   For example, to find all users whose name begins with “JU”, enter “Ju%” in the First Name field. The search results will include users with names such as June, Juan and Juanita.

4. Select Display User Summary List, which will take you to the User Summary List page.

To view and modify a user’s account, perform the following steps:

1. On the User Summary List page, select the User ID of the user for which you searched to open the user’s View/Modify User Information page.
2. Modify the user’s information in the View/Modify User Information fields provided and select Submit User Modifications.

5.3 Deleting User Accounts

If a user leaves the company or will no longer access E-Verify, a Program Administrator must delete the user’s account.

To delete a user account, perform either of the following steps:

1. Select Delete in the row of the user’s account you wish to delete on the User Summary List page (See Exhibit 5-4).

2. Select Delete User on the View/Modify User Information page (See Exhibit 5-5).

In both instances, the User Deletion Information page will open, which displays the information for the user whom you want to delete. Select Delete User to delete the user’s account.

5.4 Maintaining Company Information

To update your company’s information in E-Verify, perform the following steps:

1. Select Maintain Company from the Site Administration menu. The Company Information page will display the current information for your company.

2. To modify any section of the Company Information page, select View/Edit in the section you want to modify, i.e. Company Name and Physical Location, Points of Contact, NAICS Code, Total Hiring Sites and Total Points of Contact.
3. Make the required changes and select **Submit**.

8. Select **Next**.

7.1.2 Adding the NAICS Code to E-Verify

To add your client company’s NAICS Code to E-Verify, perform the following steps:

1. **The North American Industry Classification System (NAICS) Code** page will appear after selecting **Next** on the **Company Information Page**.
2. If you know the company’s three-digit NAICS Code, enter it in the **NAICS Code** field and select **Accept NAICS Code and Continue**.

3. If you do not know the company’s NAICS Code, select **Generate NAICS Code**.

   a. On the **NAICS Code – Sector** page that appears, select your company’s sector from the dropdown box.

   b. On the following **NAICS Code – Subsector** page, select your client company’s subsector from the drop-down box.

   c. E-Verify will generate the NAICS code and automatically enter it in the **NAICS code** field.

   d. Select **Continue**.

### 7.1.3 Adding Hiring Sites to E-Verify

To add your client company’s hiring sites to E-Verify, perform the following steps:

1. The **Site Verification** page will appear after selecting **Continue** on the **NAICS Code** page.
2. Select **Single Site Verification** to verify a single client company verification site. The **Additional Company Information** page will appear.

3. Select **Multiple Sites Verification** to verify multiple client company verification sites. On the **Multiple Sites Verification** page, choose the locations of the client company’s hiring sites, and enter the number of hiring sites per location. Select **Next**.

### 7.1.4 Adding Points of Contact to E-Verify

To add your client company’s points of contact information to E-Verify, perform the following steps:

1. The **Point of Contact** page will appear after selecting **Next** on the **Multiple Site Verification** page, or by entering a single verification site.
2. Enter the client company’s point of contact information in the fields provided, then select Next. The **Point of Contact Summary List** page appears.

3. Make revisions, if necessary, by selecting the point of contact you wish to edit from the **Point of Contact Summary List**, and then select Next.

**IMPORTANT**

E-Verify requires at least one point of contact per client company. If the client’s company is verifying for multiple sites click “Multiple Sites Verification” and follow the same instructions above.

### 7.1.5 Editing Points of Contact

To edit an existing Points of Contact for a client, select **Edit** from the **Client Company Points of Contact Summary List** and enter the updates.

4. The **Client Company Summary** page appears.

5. Repeat Steps 2 through 4 for each section you want to update.

6. Select **Return to Company List**. The **Client Company Summary List** page appears.

### Terminating a Client

**IMPORTANT**

If the client company has more than one site participating in E-Verify, and all sites are dropping out, you must go through this process for **each** of the client company’s verification sites.

To initiate termination of a client’s participation in E-Verify, perform the following steps:
1. Select **Terminate** in the row for the client you need to terminate from E-Verify on the **Client Company Summary List** page.

Notification(s) has been sent to the Office of Verifications of the request for the termination of the Company Location(s). Once the Office of Verification personnel have reviewed the request(s), the termination(s) will be processed in the system.

2. On the **Termination Request Information** page, enter the reason for the termination in the **Termination Request Reason** field.

3. Select **Request Termination**.
Glossary

A

**Acceptable Documents for Verifying Identity and Employment Eligibility**
Documents designated for determining employment eligibility under the Immigration & Nationality Act (INA) are listed in the Handbook for Employers (M 274), Part Eight, page 22.

The list has been modified since the publication of the Handbook. List A now includes only the following: (1) an Unexpired/Expired United States Passport; (2) an Alien Registration Receipt Card with a photograph or Permanent Resident Card (Form I-551); (3) an Unexpired Foreign Passport with a Temporary I-551 stamp or attached Form I-94 indicating unexpired employment authorization; and (4) an Unexpired Employment Authorization Document (EAD) issued by the Department of Homeland Security which contains a photograph (Form I-766).

List B and C are unchanged from those stated in the Handbook, but list B documents presented to an employer participating in the E-Verify Program **must** contain a photograph.

**Admission Number or I-94 Number**
An 11-digit number that is found on the Arrival-Departure Record (Form I-94).

**Alien (Non-citizen)**
Any person who is not a citizen or national of the United States.

**Alien File (A-File)**
The history file containing data and documentation pertaining to an individual non-citizen. An A-File is created when any one of several Department of Homeland Security actions occur, for example, application for permanent resident status.

**Alien Registration Number (“A” Number)/Alien ID Number/or Alien Number**
A unique 7-, 8- or 9-digit number assigned to a non-citizen at the time his or her A-File is created.

**Alien Registration Receipt Card, Form I-151**
This card was introduced in 1946 and issued to lawful permanent residents. Through 18 years of various revisions, it remained primarily green in color causing it to become known as a "green card." As of March 20, 1996, the Form I-151 is no longer acceptable as evidence of lawful permanent resident status. If a non-citizen is in possession of a Form I-151, it does not revoke his or her lawful permanent resident status; however, the document itself is expired and the applicant should be referred to the Department of Homeland Security for a replacement card.

**Alien Status Verification Index (ASVI)**
A Department of Homeland Security database accessed by benefit issuing agencies, licensing agencies, other entities and employers to verify non-citizen immigration and employment eligibility status. As of June 2004, ASVI will be replaced by the Customer Processing System (CPS).
Anti-discrimination Notice
The Anti-discrimination Notice is published by the Office of Special Counsel for Immigration-Related Unfair Employment Practices, Department of Justice, and provides information to employees concerning discrimination in the workplace. The E-Verify Memorandum of Understanding requires participating employers to display both the English and Spanish versions of the notice in a prominent place that is clearly visible to prospective employees.

Arrival/Departure Record (Form I-94)
A document issued to non-citizens when admitted into the United States. Some of these forms are stamped to indicate work authorized status. The Form I-94 contains an 11-digit Admission Number, which may be used as part of the Primary Query verification process if the non-citizen employee does not have an Alien Registration Number.

Asylee
A non-citizen already in the United States or at a port of entry, who is granted asylum in the United States, based on race, religion, nationality, or membership in a particular social group or political opinion. This status is covered by Section 208 of the Immigration and Nationality Act (INA).

Asylum
Asylum may be granted to a person who is unable or unwilling to return to his or her country of nationality, because they fear persecution.

Could Not Be Determined
An employer would select “could not be determined” when they are unable to determine whether there was a photographic match/non-match based on a comparison of the document provided by the employee and the picture displayed by E-Verify upon query. As a result, these types of cases will automatically be
processed as secondary verifications where the decision as to a photograph match/non-match will be made by DHS and will be a final determination.

**Customer Processing System**
The Department of Homeland Security’s database accessed by benefit issuing agencies, licensing agencies, other entities, and employers to verify immigration and employment eligibility status.

**DHS Verification in Process**
The response given, if the employee’s information matches the Social Security Administration records but the Social Security Administration does not have employment eligibility information for the non-citizen employee. The system automatically forwards the case to the Department of Homeland Security for verification of employment eligibility. The Department of Homeland Security responds to most of these cases within 24 hours, but has up to 3 Federal Government workdays to respond. An employer should check the system periodically for response.

**Document Type**
Type of document(s) presented by the newly hired employee to verify identity and employment eligibility.

**Designated Agent**
An individual or company that performs E-Verify inquires for another organization(s).

**E**

**E-Verify**
The E-Verify is a voluntary program (formerly known as the “Basic Pilot Program”) in which employment eligibility of all newly hired employees will be confirmed after the Employment Eligibility Verification (Form I-9) has been completed. This involves separate verification checks (if necessary) of databases maintained by the Social Security Administration and the Department of Homeland Security.

**E-Verify Participation Notice**
The E-Verify Notice informs perspective employees that a company is participating in the E-Verify Program. The Memorandum of Understanding (MOU) requires participating employers to display both the English and Spanish versions of the notice in a prominent place that is clearly visible to prospective employees.

**F**

**Final Nonconfirmation**
If an employee’s work eligibility cannot be confirmed, an employer will receive a Final Nonconfirmation response from the Social Security Administration or the Department of Homeland Security. An employer receiving a Final Nonconfirmation response may terminate the employment of the employee and shall not be civilly or criminally liable under any law for the termination, as long as the action was taken in good faith reliance of the information provided through the E-Verify system.

**G**

**General Users**
This user type performs verification queries, views reports, and has the capability to update their personal user profile.

**Green Card**
A commonly used term describing the Permanent Resident Card / Resident Alien Card (Form I-551). Many versions of the I-551 are not green in color.

**H**

**Handbook for Employers (M 274)**
Provides a step-by-step explanation of what an employer must do to meet its responsibilities under the Employer Sanctions provision of the Immigration and Nationality Act (INA). It also explains the responsibilities and rights of employees in the hiring and verification process and provides expanded information about how to avoid employment discrimination based on citizenship or national origin.

**Hire Date**
The earliest the employer may initiate a query is after an individual accepts an offer of employment and after the employee and employer complete the Form I-9. The employer must initiate the query no later than three business days after the newly hired employee starts work for pay.

The User ID must be 8 characters and may be letters, numbers, or a combination of both. A User ID is not case sensitive.

**Verification Division**
The Verification Division is responsible for administering Department of Homeland Security verification programs involving customer access to the CPS database. The Verification Division administers the SAVE Program itself, which enables federal, state, and local benefit-issuing agencies to obtain immigration status information needed in order to determine applicants' eligibility for many public benefits. In addition, the SAVE program conducts the E-Verify program that enable employers to quickly and easily verify the work authorization of their newly hired employees.
To locate your local Social Security office using the Internet, perform the following steps:

At your Internet address prompt, type: [www.ssa.gov](http://www.ssa.gov) or [www.socialsecurity.gov](http://www.socialsecurity.gov) and press Enter or select Go.

On the left side of the page, select: **Find a Social Security office**.

This presents the **Local Office Search** web page.
Enter the new hire’s five-digit ZIP Code in the box provided.

Select **Locate**.

**IMPORTANT**

To bypass the first two steps and go directly to this **Local Office Search** page, enter the following web address:

[https://s044a90.ssa.gov/apps6z/FOLO/fo001.jsp](https://s044a90.ssa.gov/apps6z/FOLO/fo001.jsp)

If the new hire lives in Brooklyn, N.Y.; Las Vegas, Nev.; Orlando, Fla.; Phoenix, Ariz.; or Queens, N.Y., look more closely at the data on the Local Office Search Results page, because the Local Office that displays is not where the new hire should go to resolve issues. The new hire must go to the Social Security Card Center. These offices specialize in processing requests for new and replacement Social Security cards.

A reference to the Card Center is included on the Local Office Search Results page under ‘Directions to Our Office’.

**IMPORTANT**

There will not be a map for the Card Center address; there is only a map for the local Social Security office. The exception is Phoenix - their Card Centers are located in the same building as their local offices.
